EVENT & CATERING POLICIES

Brewster Street Icehouse is known for its relaxed atmosphere, live music and great food. Our iconic venues offer an array of options for hosting your next party or special event. We strive to provide our guests with the highest level of satisfaction, effortless planning, good times and irreplaceable memories.

To book an event, a guaranteed \$300 Food & Beverage purchase is required. This may consist of any of our catering menu items or Brewster Bucks. If there is no catering purchase, there will be a \$25 fee for each table you need for your event.

A valid credit card is also required to be kept on file to book your event. Your card will not be charged until the day of the event, where you will have the choice to use another payment method if desired. If payment is not taken care of during event, the card on file will be charged at the end of the night.

Events may last up to three (3) hours. Guests may stay after the designated end time if desired, as long as it does not conflict with other events and does not exceed our restaurant hours.

Signed contract and credit card information are required no later than five (5) business days prior to your event. A guaranteed head count and food order must all be determined at this time.

Buffets will be kept out until each guest has eaten or food has run out. Once all guests are finished, the buffet will be torn down and any leftovers will be boxed up for event host to take home.

- o 48-72 hours prior to event, 35 % of total bill will be owed
- o 36-47 hours prior to event, 50% of total bill will be owed
